

New Video Courses from Inspired Children

These unique video courses are presented by national award-winning trainer Ben Kingston Hughes (Plus Special Guests!) Each course is split into bitesize video modules which can be viewed on a majority of devices in the learner's own time and at their own speed. Learners will also have access to electronic copies of course materials and a certificate for their CPD file. This is a fantastic opportunity to train with one of the nation's leading trainers in the comfort of your own home or setting even whilst in isolation. A single course allows every member of staff at a setting to be able to access this training just as if Ben had attended your setting in person.

1) The Power of Play to Transform Children's Lives - £200 per setting

This unique course demonstrates how play impacts on every aspect of a child's development and is the single most powerful brain development process for children. Bringing together for the first time, brand new research on play and observations from over 30 years working with children this is the definitive course on Play and has been the catalyst for Ben's upcoming book on Play which will be published next year.

2) Positive Behaviour, Positive Adults, Positive Children - £200 per setting

This essential course takes a unique look at children's behaviour and what we can do as adults to support and scaffold positive behaviour. Behaviour is a form of communication and this course helps us to understand what children are actually trying to communicate when their behaviour becomes more negative and how we can use this knowledge to create emotionally secure environments for our children. A vital and fresh look at behaviour potentially transforming how we support our children.

3) Awe, Wonder and Cultural Capital - £200 per setting

Focusing on the fundamental driving forces for creativity, innovation and life-long learning this course shows how we can profoundly impact on children's aspirations, social mobility and future success by unlocking the potential of awe and wonder in their early childhood.

4) Communication and Language – Words of Joy and Nurture - £200 per setting

This course looks at the underlying development of language in children and how children's settings are in a unique position to support and scaffold this development. The course unpicks the neuroscience of language in a way that is instantly applicable to the children in our care and showcases activities to use with our children to help them develop a fundamental joy of language.

5) Loose Parts Play, Imagination, Creativity and Critical Thinking - £200 per setting

For the first time ever our definitive training on Loose Parts Play. Ben Kingston-Hughes delivers a more detailed version of his highly successful Nursery World Seminar which completely sold out when it was delivered in February 2020. His follow up article in Nursery World magazine has gained widespread acclaim and this is the first time that this information has been presented as an easily accessible video seminar. With mind blowing new research and practical tips and strategies this is an essential fresh look at this fascinating subject.

6) Taster Package – Selected Modules from all 5 Courses! - £200 per setting

Taking learners on a journey through these fascinating subjects with modules from all of the five courses plus bonus materials. Once purchased all other full courses are available at a reduced price

Course Costs

Each course costs £200 per setting for an entire staff team to access the training. For childminders or other smaller organisations the individual price is £35 per person. The courses are available via an online link which will expire 4 months after the course date. Sessions can be viewed as many times as learners wish within the 4 month period. Certificates are supplied electronically and after course support is offered by phone or email. Email info@inspiredchildren.org.uk to book your course.
